

TERRESTORIA

MILLESULMARE

SANTA MARIA LA NAVE

This extraordinary Grecanico Dorato cru, from one of the highest vineyard sites in Europe, exemplifies complexity and finesse that are identifiably volcanic in origin.

GRAPE VARIETY: Grecanico Dorato (aka Garganega)

APPELLATION: Sicilia DOC Bianco

VINEYARDS: 1100 m.s.l. (3,600 feet) on the northwest slopes of Mt. Etna in the Contrada Nave sub-zone. Non-invasive, organic viticulture is practiced in an area rich in fruit trees, naturally occurring bushes and groves.

EXPOSURE: Northwest

SOIL: Talcum-like in texture, rich in pulverized ash and trace elements due to the presence of decomposed ancient lava flow and remnants of rock from recent eruptions.

VITICULTURE: Organic

PRODUCTION: 3,200 bottles

FRUIT COLLECTION: Harvested by hand

WINEMAKING: Battonage on fine lees; 6 months of bottle aging prior to release.

PROPRIETOR: Sonia Spadaro Mulone

UTAH DABC STATUS: Special Order \ SKU 952639
